

Curriculum Vitae

Name: Johanna Patricia L. Adevosos-Cañal, MD, MHA, MSc

Faculty Rank: Professor 12

No. of years in service as faculty in UP: 20 years

Highest degree:

Doctor of Medicine
Master in Hospital Administration
Master of Science in Medical Anthropology

Most notable academic work:

Overall coordinator of Radiology for Learning Units 3, 4, 5, 6 & 7 (1st year of medical school to internship) in Radiologic Anatomy (Colleges of Medicine and Dentistry), Pathophysiologic Correlations of Radiology, Integrated Clinical Clerkship in Radiology, Elective in Diagnostic Radiology, Elective in Therapeutic Radiology, Straight Internship in Radiology for **18 years**.

In this capacity, we improved the delivery of the courses over time, converting from traditional teaching methods and content to accessible, outcome-based content and integrating some simulation- and case- based methods. We also produced self-instructional manuals. Radiology is now one of the most popular elective subjects for medical students.

Important positions occupied in and outside UP:

Within UP:

- Asst to the Vice Chancellor for Planning and Development, 2018 – 2022
- President, UP Medical Alumni Society (UPMAS), 2020, when UPCM had its first ever virtual alumni homecoming
